

Northern Circuit Safari (2 Days)

Day 1 – Tarangire National Park: We'll arrive at your lodge in Arusha early in the morning to embark on a private safari to Tarangire National Park. Tarangire is famous for its giant baobab trees, large herds of elephant, predators and abundant game spreading across wide savannas. The park is also known for its buffalo, primates and astounding bird life. Knowledgeable of the habitat and behavior of Tanzania's wonderful wildlife, your personal guide will share with you the fascinating methods of communication elephant use for individual and herd interaction. Departing the park in the early evening for travel to Manyara, you'll overnight at the well-appointed Kirurumu Manyara Lodge. Enjoy the excellent meals and service in the ambiance of the sun setting on the plains of Tanzania.

Day 2 – Ngorongoro Crater: You're invited to enjoy an ethno botanical walk escorted by a local Maasai to learn about local indigenous culture before the day begins. After breakfast, we'll descend into the crater floor and spend a remarkable day enjoying the wildlife and landscape in one of the most beautiful places in Africa - the 2000-foot deep, 10 mile wide Ngorongoro Crater. You'll view some of the world's largest elephant herds, large prides of lion, and massive herds of plains animals like zebra and wildebeest. The crater is the last place in Africa where free-ranging black rhino can still be viewed. We'll ascend the rim in the late afternoon and return to Arusha in time for evening meals.
